Tel: 13955953467 Email: tedyu@yafeielec.com

HUANGSHAN YAFEI ELECTRONICS CO.LTD

Huangshan Yafei Electronics Co. Ltd. is a leading industrial enterprisespecializing in the manufacturing of trailer accessories. The company*s product portfolioencompasses a comprehensive range of trailer components, including trailer plugs, trailersockets, trailer tail light boards, trailer spring wires, as well as diverse automotive wire har-nesses and cables. Equipped with state-of-the-art manufacturing facilities, robust produc-tion processes, rigorous quality control systems, and advanced management methodolo-gies, the company maintains a competitive edge in the industry.

The production infrastructure currently comprises 20 advanced CNC lathes, one 3-axis ma-chining center, and three injection molding machines. Established in 2007, the company h as consistently upheld itscore principles of "scientific management, quality assurance, and customer-centric ser-vice."¹¹ Through continuous technological innovation and producti on capacity expansion, thecompany has achieved a leading position in both R&D capab ilities and production scalewithin the industry. Its products have garnered widespread recognition for their superiorquality, competitive pricing, and comprehensive service offeri ngs in the trailer accessoriessector.

Our products are distinguished by their exceptional quality-to-price ratio and comprehe-nsive after-sales service, earning widespread customer acceptance. Guided by the corporate philosophy of "integrity, pragmatism, efficiency, and innovation/¹ the company is dedicated to earning customer trust through premium products, reasonable pricing, and impeccable services. We are eager to establish mutually beneficial partnerships with domestic and in-ternational collaborators to achieve shared success. We warmly welcome all potential cus-tomers to visit our facilities and engage in business discussions.
